

Visit Our European LED Video Wall Manufacturing Facility Near Prešov, Slovakia!

We are pleased to invite our customers from the United Kingdom and Ireland to visit one of Europe's very few LED video wall manufacturing facilities — our state-of-the-art site near [Prešov, Slovakia](#).

Instead of traveling all the way to Asia, you can experience a complete LED production line right here in Europe.

During your visit, you will gain insights into:

- Our end-to-end LED module and cabinet production
- European-quality engineering, testing, and reliability standards
- Advanced technologies ensuring precision and long product lifetime
- A transparent and customer-focused production process

Traveling to us is easy: [Košice International Airport](#), just a short drive from Prešov, offers multiple direct flights per week from London (Ryanair, Wizz Air UK), Liverpool (Ryanair) and Dublin (Ryanair).

We would be delighted to welcome you in Slovakia and provide exclusive insights into our European LED manufacturing.
